

ACADIA PARISH SHERIFF'S OFFICE

K.P. GIBSON

Sheriff and Ex-Officio Tax Collector

Media Release

Continuing their efforts to ensure the safety of our families and our community, the Acadia Parish Sheriff's Office has completed another round of sex offender checks. Deputies go to the registered address of the sex offender to confirm that they are residing where they register as well as that they are following all requirements of the law.

In all, 16 offenders were checked by deputies. These checks occurred at offenders who reside in the areas of Crowley, Rayne, Estherwood, Morse and Mermentau.

“The compliance check resulted in no violations at this point, though additional information must be verified. It is our belief that the offenders know that we are serious about their following the law and that we will be checking on them” stated Sheriff KP Gibson.
